

2020 ELEIKO EMAIL INTERNATIONAL LIFTERS TOURNAMENT

COVID 19 VIRUS DID NOT STOP LIFTERS

751 Individual lifters from 63 countries entered in this unique event.

393 MALE ENTRIES

358 FEMALE ENTRIES

The Eleiko Email International Lifters Tournament turned out to be a great event. Great numbers of countries, great numbers of lifters and some great performances.

Another plus to the OWF. With the assistance of Eleiko, the OWF provided the opportunity to all lifters from around the world who are experiencing the challenges of training properly on their own due to restrictions as a result of the Covid 19 Virus.

This terrible virus, has devastated sports and lives everywhere. In our sport, many lifters have been stranded at home, training in their garages, basements, footpaths, backyards, under tents etc. A few have been fortunate to be able to train in gymnasiums however under enormous restrictions.

THE SLOGAN OF THIS TOURNAMENT WAS TO KEEP THE DREAM ALIVE. To continue the momentum of regular training.

We are delighted to see individual lifters from 63 different countries. **Individual lifters** in every sense. They did not represent countries or clubs. The OWF together with Eleiko made sure that this competition was open to anyone who does weightlifting and that they could freely enter.

The event was scheduled for the 24th and 25th July. We selected this date because it would have been the opening ceremony of the 2020 Olympic Games. But as a result of Covid 19, the Olympic Year has now become 2021 – exactly 12 months from now. And tournaments like this, will keep the dream alive.

We congratulate the 20 individual winners, who won an Eleiko bar with collars. Eleiko will contact the 20 winners in the very near future to make arrangements with them. Special thanks must go to Bowen Stuart, the AWF Manager for Information Technology and Communications for his very valuable assistance.

Hon. Marcus Stephen MP
OWF PRESIDENT

Paul Coffa MBE
OWF GENERAL SECRETARY

The Winners: each one will receive one Eleiko bar and collars

A WEEK IN THE LIFE OF DIKA TOUA – PNG WEIGHTLIFTING SUPERSTAR

Dika Toua, was repatriated back to PNG in May because of the Covid 19 virus, from where she was training at the Oceania Weightlifting Institute in New Caledonia in preparation for her fifth Olympic Games where she would have become the first female weightlifter in the world to have competed at five Olympic Games. Unfortunately the Covid 19 Virus, has now postponed this milestone.

But she is still training regularly back in PNG. Last week, Dika apart from looking after her family, her training, also set up a training session for young kids living in her village of Hanuabada. **See photos attached.** As you can see weightlifting is very popular in Papua New Guinea under the guidance of their President Sir John Dawanincura..

On top of this, during the week whilst Dika was taking her younger sister Konio –(another weightlifter), to hospital to give birth, unfortunately they only got as far as the driveway of the hospital. Dika had no choice but to deliver her sisters baby in the back seat of the car. What a woman, a champion in every sense of the word.

A TRUE CHAMPION!!

Coronavirus is doing so much damage around the world, but its not stopping the Commonwealth Games Gold Medallist, **David Liti from New Zealand**. Here is David training on the footpath outside his home in Auckland. That is what you call dedication.
